Mr. Panicos Peonides
Permanent Mission of Cyprus
to the United Nations
13 East 40th Street
New York, N.Y. 10016

Dear Mr. Peonides:

I wish to thank you for the beautiful book you gifted us with on "Cyprus". It is a magnificent work of art and beauty and many of us hope one day we might be able to visit your lovely country.

It was most generous of you to present us with this gift and I proudly display it on my desk.

Many, many thanks on behalf of the Hospitality Committee.

Sincerely,

A handwritten signature in cursive script that reads "Louise Gordon".

Mrs. Louis W. Gordon
President
