Dear friends!  
Warmest greetings and best  
wishes from Moscow.  
I remember Cyprus like a happiness  
which hardly will repeat in my life.  
But I shall dream.

Happy New Year.

Yours Margarita

С Новым Годом, милые друзья!  
Спасибо, что не забываете. Помогите  
от меня прекрасному Серову и  
всем добрым людям.

Будьте здоровы и счастливы.

Dear friends,  
of course I remember  
our meeting in your  
lovely house in your  
charming town.

I even dream to see  
once again Cyprus,  
but I am afraid it  
will be only a dream  
because I am old  
and the life is short  
and everything is so  
complicated.

I send my best wishes  
to you both and to  
your island.
