H.E. the Ambassador of USA in Luxembourg -
Dear Mr. Constantinou,

My name is Panicos Peonides and we met on different occasions during the years 1991-1992 in NY when I was posted there as Adviser on Media & Communication at the Cyprus Embassy,

On the 1st. of May I'll be in Luxembourg after the personal invitation of Mikis Theodorakis who will have on May the 2nd the world premiere of his new opera "Electra". On May the 3rd I'll move to London and New York for a research for the Cypriot TV Channel Sigma. As regards the NY project I intend to bring out Cypriots who have succeeded in different fields of social activity. Will it be possible to grant me some time for a short interview which I'll tape? Most preferably of course on Tuesday, May the 2nd. Please inform me accordingly by FAX (357-5327121).

Warm greetings from Andreas Constantinou (Captain) who is in Limassol since last January,

With deep respect

Pan. Peonides.
