Dear Elli and Panicos:

I am in receipt of your FAX of August 11. Well, your good news does keep coming and we're delighted. I am sending you our most recent Press Release, as promised.

Could you please send details on the 3-day cruise to Egypt and Israel? It sounds wonderful. Is it complimentary? EL AL may, indeed be more interested in supplying us with 2-4 airline tickets given this information. As you know, we must secure complimentary airfare to make the Cyprus package work to everyone's advantage. And Patty is working on this through Michael. (Air Cyprus is not in a position to do anything!).

Yes, the Coral Beach Hotel is a fine addition I have not answered them and will not until the airfare question is settled. Would you be kind enough to extend my apologies and tell them of our of our dilemma here?

Thank you so much.

Very best,

Nancy Jones
