

Attention Ms. NANCY JONES
The Actors Studio Celebrity Auction
FAX: 001-212-397-1595.
NEW YORK.

Dear Nancy,
We have just received the invitation for the Auction and the Reception. Everything is so impressively done that is bound to lead to a big success. I hope you have solved all the problems with the air tickets and the package for the Aphrodite's Vacation Dream will bring a good sum of money.

Please inform us who will be the lucky ones to visit Cyprus and the time they propose to come. Best time is May - June - July, (August is hot) September. Mind you, our countryhouse has no central heating and you can never predict the temperature. I have already told you that we will make such arrangements that the guests will receive special presents so that they depart with a good taste of the Cyprus hospitality. And in this way become friends of the Actors Studio too.
Best regards to our dearest Patty Ewald!

Pan. Leonides.
PS. Have you written to the people of the Coral Beach Hotel and the Cruise? Of course both offers are complimentary and this is due to my way of promoting the Actors Studio to which we owe a lot!
