DE LA TÉLÉVISION TCHÉCOSLOVAQUE

Prague, 8th November 1978

Dear Mrs. Peonidou,

thank for your letter of 22.7.1978. I have to inform you, that on these days we have received the czech texts of your scripts and we 'll give them to our Department for children programmes. There were many problems with translation because of text in greek language. The students from Cyprus studying in Prague help us with translating in their free time.

About the decision of our children's department we will inform you as soon as possible.

Sincerely Yours

/dr. Gennadij Codr/
