Dear Elli and Panos

Patty wanted me to send along a note to let you know that her mother died last weekend and she has been in Georgia for the past two weeks. It's been a very sad and difficult time for her but as usual, she has been remarkable all the way through.

She sends you much love and many many thanks for the tape that Michael brought to New York. She took it to her mother at the end of her life, and wants you to know that it helped immensely.

But Patty will tell you all this herself when she returns to New York on June 7. In the meantime I have attached a contract that is being sent to participants in our auction. Please Fax me the contract in New York at the Actors Studio. And, if you have any questions I'll be more than happy to answer them.

I am trying to get an Avis sponsor for the Cyprus vacation package. I so enjoyed speaking with you awhile back on the telephone and look forward to meeting you both.

Very sincerely,

Nancy Jones
