

THE PERMANENT MISSION OF THE REPUBLIC OF CYPRUS
TO THE UNITED NATIONS

15/July 92.

Dear Mr. David Brown,

As promised I send you information received regarding the studio facilities in Cyprus. I have given to the Director of Lumiere Services Ltd. Mr. Chris Economides your address for further information.

Further I would like to tell you that I am working with my wife on an idea for an eventual script which could place an original suspense story of universal appeal in the island with its uniqueness in every respect.

We have in mind a plot developing simultaneously on different levels just for the sake of misleading the police, Interpol etc. One of the levels could be an attempt to steal archaeological treasures and the second an operation for the trafficking of big quantities of drugs. The plots could be moving from New York to Zurich, Cyprus (Peplos, the place of birth of Aphrodite), Bogota etc. As well as in the open seas around Cyprus.

In August we will be in Europe where I hope I will meet Costas Gavras. We will be back early September when I hope we will have dinner in a Greek Restaurant in Manhattan.

With deep respect,

Panicos Peonides
