Dear Paulos,

All our very best wishes from the North of Germany to your birthday. We very much hope that you can celebrate this day with family and friends. We will think of you - probably sailing as the 3rd of June is a Sunday. Above my two "boys" - both very good seamen.

The two of us (with Vasco) are fine, Burkhard working freelance and me still at school.

But we are planning another time out - maybe 2014/15. We don't know yet.

Big hugs from us to you and Elli.

Eric
