Lois hello,

Many - many thanks for the Xioutas pamphlet which I received today. I read EVERY word from the beginning to the end and enjoyed it tremendously. It brought back a lot of memories from this GREAT teacher of ours including the fact that he taught me how to play pool at the Acropolis Coffe Shop -he was a regular customer there- which belonged to my grandfather during those years. Because of him I became a very good player.

You made my day. Thank you again so much.
