13 East 40th Street
New York City, NY 10016-0178

Dear Panos,

It was very good to meet you in New York with Arthur. He has said many nice things to me about you and yet I was not prepared to have such a pleasant talk. I look forward to seeing you again when I return to work with Arthur towards the presentation of our piece. I'll be coming in April 25th and staying until the morning of the 30th. (The story I've written for him is at the 92nd Street Y on the evening of the 29th.)

I am enclosing a copy of my proposal to Mr. Tigay, which I hope takes your interest. The magazine he operates has a large circulation among middle-class and upper-middle-class cosmopolitan Jewish travelers (and is a decent magazine, moreover). I would like to get to Cyprus very early in June and stay through the summer. I'd make one side-trip to Israel during that time, but I'd really like to get to know your island.

Please give me a call whenever you like. I'll be here in Salt Lake until I can re-ascend into the Olympian heights of New York.

With fond regards,
