 Re : Travel questions / plans / winners' names
 Date : 12/9/93

Thanks for your fax. We have a number of questions regarding this event from the couple which was the successful bidder. The name of the party is Mr. and Mrs. LaMicela. Following are their plans and also some queries they have.

They leave the U.S. SATURDAY JUNE 4th and arrive SUNDAY JUNE 5TH.

They leave the farmhouse the following Sunday JUNE 12TH and wish to sail on the Princess Victoria for the 3 day cruise.

Following the cruise, they want to come to the Beach Club from the Wednesday to Saturday. They return to the U.S. that Saturday. There will be 2 couples, four persons in all.

Their questions are:

Regarding the cruise, what is meant by "3 days?" We are assuming that this means embarking on Sunday and disembarking on Wednesday. If this is actually 4 days, please advise.

How far is it from Limassol to Paphos? How long will the trip take by car? Is a map available for the trip? How far is it from Larnica to the house and what are the directions to the house itself?

How far is it from the house to the dock for the cruise?

Where do the LaMicelas find the key to the house?
 Where should the key be left at departure?

Is there a housekeeper or other caretaker to help with obtaining simple supplies and in case of emergency?

Should Ms. LaMicela call you directly? She will be glad to do so. If you wish to do so, call (212) 570-2447, and ask for her personally. (Her Chinese housekeeper has very limited English.)

PS
 So the four guests names are:
 Mr. Mrs LaMicela -
 Joe & Kim Hunter.

Sincerely
 Pan. Peonides
