

Dear Mrs Penick

We are thinking very  
much in our anxious friends  
in those days of suffering.

Hoping that thanks to  
the courage of your  
people it will be soon over

Happy Christmas,  
and New Year of  
fight for Liberty

Maria. Teresa d. Barros

Dear Mr. Pacides.

As you say  
solidarity and  
brotherhood of  
people fighting  
against oppression  
and fatalism  
is a great weapon.
