Dear Paves and Ellie!

When I finally sit down to write you it is with a heavy heart because I have very sad news to bring. Veit is dead!

The 1st of July he had a heart attack which took his life almost immediately. We were out swimming in a lake when it started and he just made it back to land.

We had such beautiful memories from Cyprus from the week we spend with you and in your wonderful house in Vasa.

I hope that you recovered

from all the work you had
done for the conference.

I hope it was meaning-
ful to the peace process in
Cyprus.

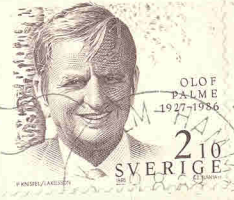

I would like very much to
hear from you.

Give my regards to Andreas
and Dimitra and to people
we met.

Yours

Gerd
