Dear Friend,

After my coming back from the beautiful days in Sophia which have also been of benefit to the peaceful cooperation I wish again to invite you and your husband with whom unfortunately I had not the possibility to speak, to spend fourteen days in Czechoslovakia.

We suppose that as the guests of the Czechoslovak Committee of Writers Unions during that period you will have the possibility to get acquainted with our people, with the results of their work and to discuss with us the possibilities of mutual cooperation between our unions.

I am looking very much to meet you again and only ask you to kindly let us know in advance when it would be possible for you to accept our invitation.

I remain,

Sincerely yours
