Dear Elli and Pausos,

I hope this card finds you both well.

Thank you so much for sending me your book -

I was so moved by the two stories from *The White Horse*, especially *At the Secret Shore*.

They're wonderful, so beautifully written. I wanted it to go on forever.

*At the Secret Shore* made me cry...

I want you to know that I cherish our friendship like a cloak I carry around me at all times, enveloped in your warmth.

I'm sending you all my love, best wishes for the holidays, and my new book.

Love, Hélène

Dear Elli + Paus,  
filming in Flavigny, a  
small medieval village near

I made friends with all  
the actors. I am now  
spending a few days in  
Paris with José. And I'm  
now off to London and  
Bath to continue filming.  
It's a fantastic experience  
I'll remind you of José's

Dear Elli + Paus,

I am taking my father to Madrid today to settle some paperwork there and be with him because he's hit very hard.

The ceremony in Salonia was very beautiful and very moving. The priest was great.

I'll be back on Sept 14 because on Sept 15 we are having here the Tasaurada ceremony at the St Stephane greek orthodox Church where my parents were

married. The same ceremony  
will take place in Salonica  
on the same day.

I still want to come to Cyprus  
and spend a few days with you  
but my father still doesn't  
want to go, because he says  
it will hurt too much to  
be in Greek surroundings...

We'll see if I can change his  
mind after our return from  
Spain. With much love,

Yvonne

Dear Elli & Panos, <sup>9.14.94</sup>

How are you? I hope things are going well for you. I wanted to let you know the last events.

Costa Gavras phoned me from L.A. last month and scheduled a meeting here in N.Y. at the Disney Channel for me. He was seeing several actors for his upcoming project = Last Dance. He said he would contact me early September after going on location. Well, I haven't heard yet. He was incredibly warm and positive. So was the casting assistant. I also met the producer. So of course now I'm nervous to see what's going to

happen. In the meantime I got hired by NBC - Law & Order. It's a drama series for TV. I am the lead actress' stand in and I work on the show almost every day. So at least this is good news. Things seem to be picking up. Of course I'd be so happy & should I say I'd feel on the moon, if the Gavras movie came through. This would be a break. Well, I'd love to hear from you both and I hope I'll have a chance to see you soon. The cinematographer on the TV show is Greek American and we exchange some Greek. I want to pick it up again....  
Lots of love, Helene

Dear Elli and Panicos,

how have you been?

I am finally writing you! All is well. I spent the summer in Europe: Spain, Paris, Vienna, Budapest... Costa Carras called me when I was in Vienna (with José), so Kitty spoke with him. That was end of July and he was only leaving for LA. I haven't heard since.... so we'll see!

I moved (it was the end of my sub lease) and here is my new address:

Home: (212) 245 7505

25 Central Park West #3A

NYC NY 10023

It's at the corner of 62nd St (lower than the last apartment on Central Park West!)

The fall has been very good so far: I did several readings with this theater company called 'Naked Angels': they're very good (Mathew Broderick, Ripley Stevens, Raula Tomei, who got the Oscar, Lili Taylor...) so I'm happy about that.

I have been auditioning a lot, which is excellent. I'm on hold for a commercial etc... I've been a couple of times to the Actors' Studio, but the new guys working at the administration are very unfriendly to me, which is a shame... And I've had the opportunity to see a lot of theater & screenings and make contacts.

Kitty may want to buy an apartment here so I'll be looking into that.

I have been thinking about you a lot and I would love to hear from you.

All my best,  
lots of love,  
Hélène

Dearest Elliot Panoos,

How are you? I hope very well indeed!  
Well, I must apologize for taking so long to  
write you. Thank you so much for your card  
and photos! Well, I have been very busy  
working and so I haven't taken a holiday! Instead  
I have been taking week-ends off with Joshua  
(you met him briefly, he lives in my building,  
same apartment on the ground floor, he has the  
garden) to Fire Island. And it has been  
great!.... So I hope to come to Cyprus either in  
December or next year! I finally got a part on  
the TV series Law & Order: I filmed it on the 6<sup>th</sup>.  
And I also got a part in the new film by Abel  
Ferrara called 'The Funeral', with Christopher Walken....  
I am a bit nervous, as you may imagine!!! I spoke  
with John Kallas and I'll see him soon at the  
Players' Club, now that I am a MEMBER! But  
no news from Samicella. I did leave a message....  
In the meantime I still work regularly on the TV series. I  
saw Jacques dove and he told me he wrote you. He  
has a book on Jackie coming out + one on Jazz musicians,  
+ he was in LA for Quincy Jones. And I think he wants to go  
to Cyprus too! Well write me and I promise I'll do a  
better job next time. The apartment is looking great now! I miss you  
lots + of love, Helene

Dear Elli + Pauos,

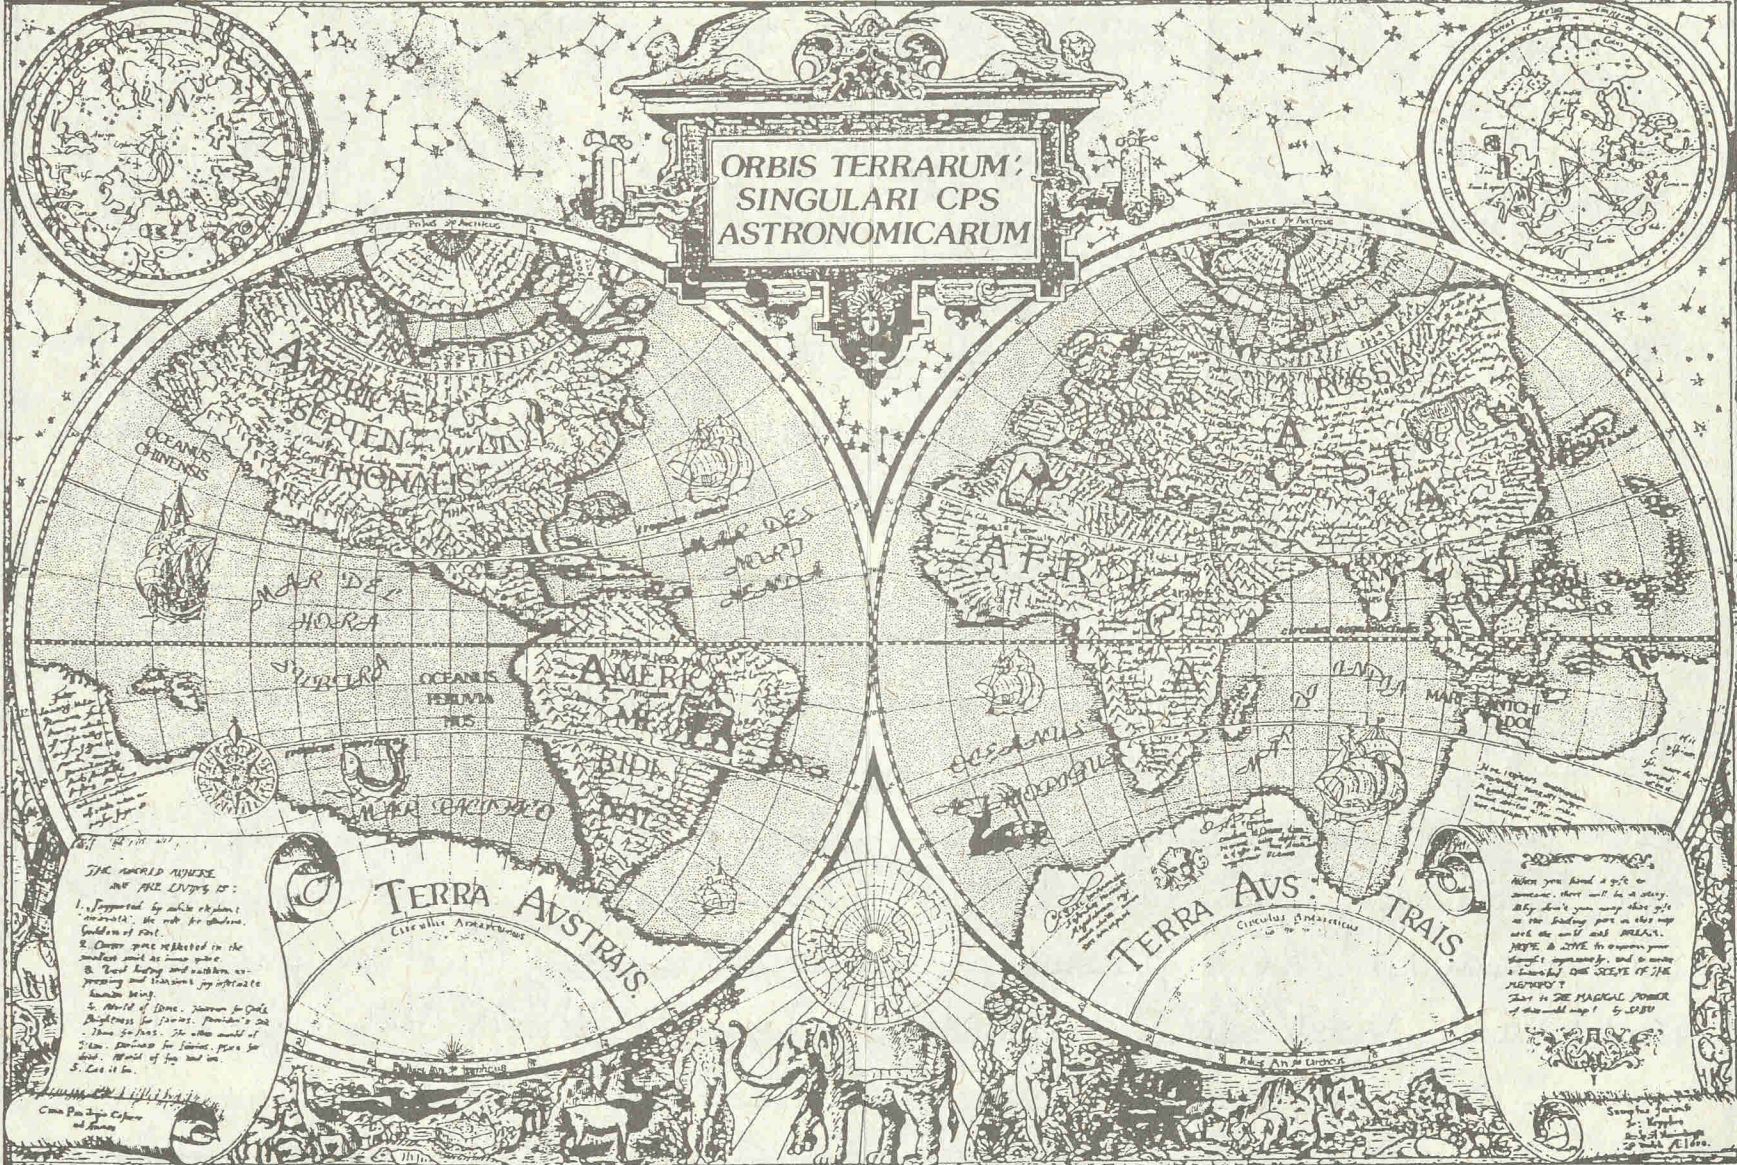

How have you been? I hope all is well. Elli, thank you for the photos! What about me? Well, after working on the Scarcese movie, I shot 2 short films by the young Italian director Giovanni Moscone. Then I just hired a career coach to help me redefine my career + work at it better! Also I had the pleasure of meeting Pedro Almodóvar on his visit to NYC. He is truly wonderful. Kitty will be visiting me soon I think. For myself, I'm bound to go to Europe this summer, when exactly, I don't know. Kitty told me Costa Gavras is planning on shooting a film about Gypsies. Do you know much about it yet? I'm sure you'll be involved! Isn't the idea wonderful! Well, you must let me know!.. I only have one piece of bad news: Vasek Simek, the Czech actor from the Actors' Studio passed away - I'll be looking forward to hearing from you soon,

Much Much love,  
Helene

Dear Elli and Pamos,

How do you?

I was very happy to hear from you. All your writing projects sound really great. Well, I have some wonderful news: I got a role in Lawrence

Randall's new film called "Mumford". I shot it 2 weeks ago. I played the role of Candy. Larry Randall is such a great director (Body Heat, The Big Chill, Wyatt Earp, Grand Canyon, French Kiss...) and I had a wonderful experience! So it made me really happy. The film is shooting near Santa Rosa, then 1/2 north of San Francisco, near the wine country and it's very beautiful there!

When I was in Paris in January I called Garra and he called me back but he missed me (I was already at the airport!) So I'm staying in touch with him, I wrote him about the good news and congratulated him on 'Mad City' and I'm hoping we'll do a project together at some point!..... José will be going to Leticia in July for our cousin's wedding (Paul) and he will also go to Athens and

Dear Elli and Pans,

Thank you very much for your letter. I am very happy to hear that things are going well for you and that you're "still going strong". Congratulations for two books. Well, this fall I've been published too. Two poems of mine have been published in two poetry books or anthologies. The cable movie I did just opened. The Kasdan movie opens early next year. Things are going great with my boyfriend Steve. I'm going to Massachusetts to see him on Saturday. He's working on a film there with Lars Halstrom. Then we'll spend Thanksgiving in New York!

It would be great if you worked on a script with Costa Gavras. When you speak to him, please say hello and that I'd love to work with him - still!

On the subject of Opie, I am very disappointed that she won't offer you hospitality. Unfortunately I've been finding out that she is a certain way, there were a lot of things I didn't see before. I wish I could help. I spoke with José and of course the apartment he shares now with my brother and his pt friend is too small! I haven't seen Brigitte's apartment. Have you talked to her? I know a hotel in our old neighborhood that is very affordable: Grand Hotel Lévêque: 29, rue Cler, 75007 Paris - Tel: 01.47.05.49.15. The rate for a double room is 335 French Francs. When are you going to be in Paris? You didn't give me a date\* I'd love to see you - I don't have a set date yet, but sometime in December. Do you have any plans of coming to CA? That would be wild! You're welcome here anytime. Please keep me in touch.

lots of love,  
Hélène

PS: I will call Opie to see if I can make her change her mind!.....

\* yes, you said Christmas - I was going to go to Madrid but I would definitely work it out to coincide with you in Paris -
