Attention NANCY JONES - THE ACTORS STUDIO
Copy - Executive Director PATTY EWALD

Dear Nancy,

Thank you very much for the information regarding the preparations for the Celebrity Auction. We are so happy that an idea which, in a way, originated from the donation of our Vasa house for holidays turns to a spectacular event with so many stars participating in it. The success is bound to be great thanks to the efforts of the organizers of the campaign.

What we noted though with Elli is that the 15 days on the Mediterranean Island of Cyprus do not appear in the Press Release. Yet mention is made of the Villa Volpi, of the ski week in Sundance, of backstage tours etc. etc. Why is that? We understand that this is the first Press Release where all the donations of importance are included.

We will appreciate it dear Nancy if you could FAX your reply to 357-5327121

Sincerely yours,

Pan. Peonides

PS. Is by the way Patty in Europe?
