44 BIRTHPLACE Alamb. Brava

The place of birth and death seldom meet at the point of the same circle. Joy's small white cry-out of sufferings; Suffering's hard steep track - issuing joy. But There's a house, a street a place in PLAVDIV where we have printed on our eyes - Both these

nativity and death
a dark golgotha - your
place, sister.

See how you stand in
both, yet have passed
over, both out of death in
birth and birth in death's
dark water, have STARRED
