Dear Eli & Ponicos -
I am at the end of my
2-month stay at the SACATAR
Foundation on the island of
ITAPARICA (Bahia) - I won
their international Fellowship
for writers -
So far a formidable
experience, some fabulous
things, some difficult -
But I have been writing
everyday (including a play
for local children) and
recovering from a difficult
year (my mother died - just
before the WTC disaster in NY
which I saw) I hope this finds
you well - Best wishes, Lilla
