Please accept our heartiest congratulations at the honour conferred on you by Trinity College of Music, London. Please give them my Best Wishes for I still retain the happy memories of being associated with them.

My health is not so good these days so I have to go carefully.

Dear Mr. Ewing,

Re: Polynikis Kleouvoulou Myrianthopoulos

I am very sorry for the delay of my reply to your letter of March 20, 1953.

I have much pleasure in informing you that I have known Mr. Polynikis K. Myrianthopoulos for the last eight years. As one of his Masters I carefully followed his progress during his studies in the Limassol Gymnasium where he was one of our best pupils. He is very intelligent, very studious, sociable and worthy of every confidence. I also know his family. His father, the late Kleouvoulos Myrianthopoulos, was for many years English Master in the Limassol Gymnasium. One of his relatives has been Archbishop of Cyprus and one of his uncles is an authority on History of Cyprus. Generally speaking his family has one of the finest records of irreproachable conduct in the town.

Yours sincerely,

Solon Mechaelides.
