Dear Dr Michaelides,

I sent you recently a copy of Bulletin no. 6 which contains an interim report of the Conference including the decisions taken with regard to folk music in radio.

A meeting of the Radio Committee appointed by the Executive Board will be held in Paris early in November and I shall, of course, send you a report of it in due course.

In the meantime I enclose a copy of the letter I have addressed to Mr Ralph Poston and I shall be grateful if you will support our application.

Yours sincerely,

Maud Karpeles

Dear Mr Poston,

I have pleasure in sending you Bulletin no. 6 which contains the report of the proceedings of the International Folk Music Conference relating to Folk Music in Radio. We are holding a meeting of the Radio Committee in November in order to discuss ways of carrying out the proposals that have been put forward, and a further report will be sent to you in due course.

In the meantime I would ask you to give your approval to the aims of the Committee as stated in the resolution on page 7 and to consider whether your organization could give active support by making an annual contribution to the Council as suggested by the Executive Board.

The Board felt it would be inadvisable to lay down a uniform subscription, but for your guidance, I might mention that the minimum corporate subscription so far contributed to the Council is £20, and several organizations, including Radio Italiana, are generously giving £50 per annum.

You will, I am sure, understand that it will be of great assistance to the Committee in planning its future work if it can be assured of some measure of financial support.

Yours sincerely,

(sgd) MAUD KARPELES

Dear Dr Michaelides,

It seems very improbable that an international festival can be arranged for next year. I am, therefore, exploring the possibility of holding a Conference of the International Folk Music Council in Brussels so as to take advantage of the Conference on Musical Education which is being sponsored by the International Music Council (UNESCO).

The Brussels meeting of the I.M.C. will be from June 29 - July 9, and a Conference on the Education of Professional Musicians is to be held in Salzburg from July 14 - 28.

I suggest, therefore, that the Conference of the I.F.M.C. should be held from Monday, July 6 - Saturday, July 11, and that meetings of the Executive Board should be held on Sunday, July 5 and Sunday, July 12.

Would you very kindly let me know immediately if these dates would suit you?

Yours sincerely,

Maud Karpeles

Dear Dr Michaelides,

I have pleasure in sending you the report of the proceedings of the International Folk Music Conference relating to Folk Music in Radio, and in conveying to you the invitation of the Executive Board to serve on the Radio Committee.

It would seem desirable to have a meeting of the Committee as soon as possible. I would ask you, therefore, when replying to the invitation to let me know if you could attend a meeting in, say, Brussels or Paris, in the early autumn.

Yours sincerely,

Maud Karpeles
