Dear Mr. Michaelides,

May I in return for your so kindly sending us your very interesting book 'The Neo-Hellenic Folk Music', send you the first numbers of 'The Consort Player', which we are editing for Stainer & Bell. They come with our best wishes for the New Year, and the sincere hopes that this year will see more settled times for the world.

I have heard several times from Mr. Skiadaresis since your visit here, and have been very interested to learn of all his activities. We look forward some day to meeting him.

In addition to having had a very busy time giving concerts up and down the country, we have been doing a considerable research into music for viols during the last two years, mainly at Oxford and the British Museum. The more we delve, the more excited and fascinated we become, and simply

long for a 48 hour day!

My wife joins me in sending our very best wishes,  
and we hope that we may meet again sometime to talk about music.

Yours sincerely,

Marshall Johnson

COLONIAL SECRETARY'S OFFICE,  
CYPRUS.

14th March, 1949.

Sir,

I am directed to refer to your letter of the 16th December, 1948 and to inform you that from enquiries made from all interested schools and societies it appears that only between 20 - 25 candidates would be prepared to come forward for the Associated Board's examination, if held in Cyprus this year. As this number is insufficient to justify the expense of a special visit of an examiner, it has been decided that no request will be made for an examiner to visit Cyprus in 1949. I am anxious however that full advantage should be taken of the Associated Board's offer and I shall be grateful if you will inform me at the end of the year how many candidates you would be prepared to offer for the examination if arrangements can be made to hold it in Cyprus in 1950.

I have the honour to be,

Sir,
