

FAX NR. 001-212-397-1596.

Attention Grace Hawkins - The Actors Studio
from Pan. Peonides - FAX 357-5327121.

Thanks for the FAX.

Regarding the questions you ask some of them I answered with the FAX I sent early October. Early Dec. I sent a second FAX to Jared Carney with some questions of my own. In both FAXes I stressed the need to inform directly LOUIS TOURIST who kindly offered the cruise. I am sending a copy of your FAX to them but do so too. They will give all details and the exact day of the sail.

All other details (distances, directions, key etc. etc) will be best solved when my wife Elli Peonidou will be in New York in the last week of next March. We would love it if Ms. LaMicela called us. Our telephone Nr. is: 357-5354142. And our address: PO Box 544 - LIMASSOL - CYPRUS. Could we have the address of LaMicelas too? We would like to know too, if possible, something about the profession and the interests of the four guests. It might help make their stay more interesting.

Greetings to Ms. Patty Fwald and Merry Christmas and Happy New Year to the many friends of the Actors Studio.

Sincerely,

Pan. Peonides
