**BRISBEN - GARSON CAMPAIGN COMMITTEE  
for the Socialist Party USA**

Dear Ponicos,

Here are some Souvenirs and articles from  
my Quixotic Socialist party campaign.

I didn't find a party platform but I will  
ask the party office to send you one.

I've also enclosed a copy of my  
Sixties Play MacBird! as you asked.   
(I think my latest play will interest you  
even more.)

It was a pleasure to meet you and  
your family. Good luck to you and your wife on  
the trip to Cyprus & to your son on the voyage  
to London - if I don't see you in N.Y. before you  
leave -

**National Office:** 516 W. 25th. St. New York NY 10001 (212) 691-0776

**Campaign Committee:** 784 E. 100 Pl. Chicago IL 60628

→ I'm sorry to have met you so late in  
your stay here -

Solidarity forever,  
Barbara
