Dear Eli and Panos -

I wish to thank you for your generous help and support in making Tuesday night a great success! Your encouragement has meant a great deal to me in the face of obstacles... and for this I am truly grateful. Thank

You also for your generosity in offering
your home at auction - this accounts
for one of our larger donations - and
I am thrilled that Anastasia Voronov
and her friends will have the chance
to enjoy it! I have posted your slides
under separate cover. Again my
thanks to you and much love,
Joan
