Dear Friends,

at long last we send you the photographs that we took during our wonderful stay in Vasa. - We do hope that this finds you well.

We have been thinking of you allot, especially when this stupid war began, & we are so happy that it's over now. But still, we think it was bad and superfluous as anything.

Did you get our letter from before Christmas? - We managed to hand over the parcel with the books to your friend Eideneier only after Christmas. - I also tried to get in contact with your friend Rafaela Wilde right before the War, because I was very interested to know about this group of artists in action for peace, and if they would do anything special which could be good for a little TV or radio report, but I never managed to get through to her. Still, I'd like to know what they're doing.

Frieder is now regularly working in Bonn (about 3 days a week), & I am busy with my little films, but a lot of changes have taken place in our TV & radio station since the beginning of the year, & many things are getting more & more difficult.

Here it's almost two weeks that spring has come with all the trees & bushes beginning to show their blossoms, & it is quite inimaginable that only 4 weeks ago we've been to the hills not more than an hour away from Cologne to go skiing!

Do you still plan to come to Bonn in April? Be sure to spend a few days with us. We would very much like to hear from you & to welcome you here.

Looking at the photos recalls the warm & friendly  
days in Cyprus... Please give some of them to Poppou  
& all our best wishes to her and her family as well.

All the best to both of  
you, of course,

Love & Peace,

Maria<sup>\*</sup> and Guido
