Dear Elli,

as I came back from Paris, I found your letter and had great pleasure to read about you, your work, your success and all other, you wrote me. Also I got your manuscript and gave it with best words to the KINDERBUCHVERLAG Berlin (that's our biggest childrens-book-edition); here is the answer-letter; they read it the next time (begging for a little patience. The same moment, if I here, it would be editioned, I send you a telegramm.

I have had a good spring and a good beginn of summer; got also - like you - a price for my last kino-film. Before I had been in French (Marseille, Provence, Camarque and Paris) I was in Austria (Wien and Salzburg), to show the film and see his Austriane premiere. Also my new piece in Maxim-Gorki-Theater Berlin has had a nice premiere. This days I finished a new lyrik-book (and now I look the whole days Olympic Games in televion.) Because that I today can only write such a short letter. Next time more.

to  
Much greating ~~for~~ you and your family

Dear Elli,

a long time I 've heard any word from you; may be, my letter needs again a month from here to Zypern or you are later back from hollidays. I hope, you had a very lovely summer; here we wait jet, he comes (but surely next year). I gave your two books Mr.Gruner to let read them; I hope, in his Edition or in Childrens Press (Kinderbuchverlag) shall be a chance, to translate and to publish your poems.

I finished last days my new Piece ("He is there again"); I wrote more than a year at it - terrible! But now I am glad, to be ready (and wished only, ~~and~~ I could have a nice long journey. (Or travel? Excuse, but I belief, if I write with a mashine I have more mistakens in my letter if I write by hand - you only cannot read the most words.)

Often I think about the very short, very nice time, we are together. Your lovely face, your lovely voice. And hope so much, to see you again - soon. Next week I drive to Bukarest for seven days, in November (from 5.-12.) I am in Paris respekt. in Montreuil near Paris, there is an Exposition de la Republique Allemande and the french premiere of my last film. If you can come: you find my adress in the german exposition hall or in the Mairie de Montreuil. I risk no to hope, you could come...

For times I tried to phone with you, but without succes.  
Please, write soon! Today or tomorrow!

Just published my last piece; have pleasure about the  
nice illustrations. A friend of mine makes them.

A lot of kisses and all good wishes

your

Bj
