getting married on the  
21<sup>st</sup> of December the day  
she was nineteen years old.  
It was a clearing day,  
only with the family and  
close friends (amis intimes?)

It was decided - without  
reason, just for love and that  
is the more important reason  
10 days before. Everything  
has been done in a hurry.

I to am very happy for her

Yes, I should like to

I don't know because of

Thanks for your greetings.

Dear Elli,

I was so moved

I wanted kiss you, is so

I like the colour very sweet

And I have got nothing  
for you, it's a pity and today  
is too late Panos had gone  
and it's Sunday... next

I dream to go to

first my old, poor dog  
must be ... died. No body  
can take care of him, he is  
blind, blind is in a way,  
Aun-Neri, Alain in a  
other.

It was a bad year:  
Alain and you, Aun-Neri

can be done? But I am  
very sad  
Kiss the children - so nice -

Dear Elli

You don't give  
me the telephone number  
of Serge Godin and it  
is not in the "Gottin" (the  
big book with tel. numbers)

But I phone to  
Editions Laffont where  
Seghers is working and  
I was told N: Godin is  
going out about 5 or 6  
months ago. They have not  
his address.

I think the best thing  
to do for you is to write

One tell me M-Godin  
is trying to settle his

I don't know it is true

So sorry to do any  
thing more.

Dear Ellie, dear Pauls,

very happy to hear from you! "D'entende plus la guibon" is a real great movie to me. His director, Philippe Garrel lives in our street and his son, Louis, is one of the best friend of Gabriel.

"Les cahiers de Ginime" is a very intellectual journal. Left, of course. They come from "la Nouvelle vague". It is very interesting and I always read it but sometimes (I'd say a lot of times) they're wrong. I don't really know when we will be this summer. May be in August (till the 15<sup>th</sup>) we'll be in Ramatuelle. Then I have to come back to Paris: IB begins rehearsing "Le Volk de Torredors d'Auouilh" on the 20<sup>th</sup>. And we'll be playing from the 2<sup>nd</sup> or 3<sup>d</sup> of September in Paris. May be you'll

be able to come and see me.

Now, I have to go: we're leaving for Trouville for the week-end.

It's very rainy in Paris, grey: awfull. You're very lucky with spring in New-Y.

love.

Chers Amis,

j'ai reçu votre gentille carte de vœux hier et je  
vous réponds aussitôt. So, you're in N.Y since  
three months! My God, how fantastic! I've never  
been there and I'd love to. Lucky you....

Here, everything's all right. The weather is very cold  
this year. I'm rehearsing a play of Jean  
Anouilh called "La Valse des Toreadors" and  
we'll begin playing it on the 6th of January...  
Very soon! With it, we'll open the new theater  
of Silvia Montfort who died a few months ago...  
Please, tell me more about N.Y, your life there, the  
people you meet etc...

I'll wait for your letter and I kiss you.

with all my love.

Dear Elli

Pardonnez-moi I have no  
time to write but very often I  
am thinking about you and  
Paris. It was impossible to go to  
Cyprus and I should like so much  
to do it.

This year I will be in Rome.  
I will only have a very short period  
- from the 6 or 7<sup>th</sup> of July until  
the 22<sup>th</sup> (July). What a pity. It would  
have been so nice to have you there  
(O<sup>h</sup> my English!!). In August I  
think I will stay in Paris, except the  
week around the 15<sup>th</sup>.  
What can be done?

A.M. and Olivier work a lot. A.D.  
is in Beclot in June.

2.

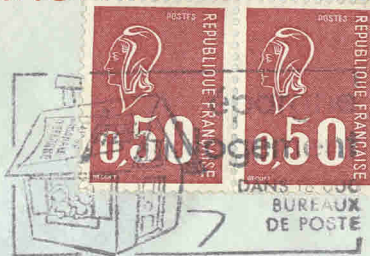

I hope really the situation is - and  
will be - better for you.

Perhaps you will pass through Paris  
in the last week of July?

Love for both of you. And  
please excuse my so bad English.

Dear, dear Elli,

When I came back  
from Rumatuelle (15 days ago) I found  
you card and immediately I telephoned  
to your friend. She was very sweet, said  
she had you & pretend for me and she  
will very pleased to meet me. She was  
just arriving at Paris so, she told me  
that she preferred to ring me up again  
to take the rendez-vous.... and since  
I am waiting. Perhaps she looks my  
telephone number. But so I do I don't  
keep her telephone written her address. so  
I can do nothing except wait... It's  
a pity I am sure the night-dress is  
very, very nice, I'll be so glad to get it.  
I didn't write to you since because  
from day to day I was waiting for her  
coup de telephone.  
You are so a good and sweet

friend for me ...

Are you all right and Paol,  
Nicos and Nelina who wanted a  
blond and plaine "perruque" ? Her  
hair is beautifull. Always we wish  
something we have not.

I hope to go to Rematuelle &  
to weeks in September (the first part)  
so it is possible I'll be in Paris only  
on the 16 or 17 ? we must see each  
other, after it will be finish for almost  
one year and my old dog Moustache  
is blind but very kept) nevertheless.  
Love to all of you and
