Dear Elli, dear Panos!

I was very and very ill last summer and the great deal of autumn and winter. Now I am much better. I was for a long time in sanatorium and now I am going again for two weeks only. We made with Alla a small trip to Hungary. I have with Mafilm some cinema - business, coproduction, the moovy about great composer Imre Kalman - I am the author of script (scenario). Another work for cinema: I am doing now - I take part as a consultant and co-author in american TV-moovy "Peter the Great".

I wrote a small novell about Kalman and some new short stories. I am working very much. With great interest we are waiting Elli's book "Portraits and frames". We hope that we will get it.

To Cyprus we will go with great pleasure, but we can't do it without invitation from you. It must be sent on our adress, in form, you can get in Soviet embassy. If you really want to see us in Cyprus, it's not so difficult to do.

Sincerely  
your Alla  
and Yuri.
