Dear Panica,

Congratulations on  
your presentation of the Wasps  
at Epidaurus! I wish I  
could have seen it!

I am glad you  
are enjoying New York.

I am sending you  
two books — one deals with  
Cecropia. I'll be meeting

him in Dublin soon — and talk  
about his work. I'll also be in Greece.

Warmest regards to you &  
your wife

Marlene McDonald
